

Lebanon, June 2. '46.

Gen W^m Chapman:

I forgot to put "Standard
Extra" at the top of the Circular, which
is necessary to enable it to go with
the Standard. To please add it
when the reports come. Also put
in a date after June - say 1st -.

I brought down another bird on
my way out. I had to be away all the
afternoon.

I cannot write more but I
ok. Love the experts.

Yours ever

E. Z.
